Summary

Hi, I'm Devanshu, I am currently doing my final year of Engineering.
I am always interested in learning new technologies and work on them.
I have done certification in Database, Python, and Web Development.
I have worked as a Web Development intern in Softnika Solutions.
I am a quick learner, self-motivated, and especially a time punctual guy.
If you want to contact me then you can mail me at devanshu.shekhar2@gmail.com
or you can call me on +91-9504940086.
